EXPERIENCE

UX Designer

Quokka Technology

Jun 2020 - Present - Sydney

- Evaluating the web product through usability testing, competitor analysis and heuristic review.
- Designing and testing the medium-fidelity app prototypes.
- Collaborating with the team remotely on design sprints and design execution.

UX/UI Designer

Conversion Kings

Jan 2020 - Apr 2020 - 4 months, Brisbane

- Ensured the delivery of consistent and logical UX.
- Drafted and refined wireframes, prototypes, and testing to take my design from concept to the final product.

UX/UI Design Intern

Flight Centre Travel Group HQ

Jul 2019 - Nov 2019 - 5 months, Brisbane

- Assisted Retail Experience team, got involved with everything from design sprints to design execution.
- Designed email templates for internal use between customer support managers and national travel consultants.
- Researched current digital design system guidelines and best practices.

UX Design & Researcher

QUT Health Clinic

Feb 2019 - Nov 2019 - 1 years, Brisbane

- Evaluated a medical self-care app, MyFootCare which is designed for Diabetic Foot Ulcer (DFU) patients, by conducting UX research and usability testing.
- Created prototypes from low-fi to high-fi and conducted validation with users.
